**SIGNS AND WONDERS?**

Today's Gospel continues into a second day the narrative that had begun the day before when, after crossing the lake to look for Jesus, a large crowd are fed with five barley loaves and two fish. The following day (today's reading), after more lake crossings, the people who had been miraculously fed are again searching for Jesus. However, they do so (as Jesus puts it) "not because you saw signs, but because you ate the loaves and were filled" (John 6:6).

In John's Gospel, the word "sign" has a distinct meaning. At the wedding at Cana, after telling how Jesus turned water into wine, the Evangelist notes "Jesus did this as the beginning of his signs" that "revealed his glory, and his disciples began to believe in him" (John 2:11). For John, signs are not just wonders to behold; they are about the revelation of God and a response of faith in Jesus.
